EXPERIENCE

Front End Developer

DeDezigners

07/2024 Eden Tower, Gulbarg 3, Lahore

I have been working at DeDezigners for 7 months, Gained hands-on experience in developing responsive and user-friendly web interfaces using HTML, CSS, JavaScript, and Bootstrap. Worked closely with designers and backend developers to create seamless website experiences, ensuring cross-browser compatibility and mobile responsiveness. Focused on optimizing website performance, enhancing UI components, and troubleshooting front-end issues. Developed a strong understanding of modern web design principles, improving skills in coding, debugging, and problem-solving.
